

ABF Motor Oils

We redefined lubrication through ABF technology
Setting the standards in Effectiveness of The Lubricant

ABF-Lite E3 Issa

HI-PERFORMANCE GASOLINE ENGINE OILS

Produce of Singapore

Updated 2015jul15

ABF-Lite E3 Issa is Hi-Performance premium gasoline engine oil for all makes of passenger cars and light vehicles powered by gasoline engines. The oil offers more viscosity control, excellent anti-oxidation, anti-wear and anti-corrosion properties. ABF-Lite E3 Issa meets or exceeds the performance requirements of API SM, SL, SJ, CF, ILSAC GF-4, etc.

The unique Steel Shield ABF Technology provides outstanding performance and extra protection even in the most extreme conditions.

API CH-4/CG-4 ACEA E7-04

- Excellent dispersancy and detergency
- Superior oxidation and thermal stability
- Effective control over high temperature piston deposits
- Protect engine against wear, corrosion
- Keep engine clean
- Prolong engine life
- Increase output power
- Reduce downtime

TYPICAL CHARACTERISTICS

SAE Grade			10W30
Viscosity @ 40 °C	cSt	ASTM D445	69
Viscosity @ 100 °C	cSt	ASTM D445	10.8
Viscosity Index		ASTM D2270	145
Pour Point	°C	ASTM D97	-35
Flash Point COC	°C	ASTM D92	215
Mass Density @ 15°C	kg/l		0.891
Evaporation Rate			<0.01

Remarks : Due to continual research and development, the information contained herein is subject to change without notice. Always follow manufacturers' recommendations for lubricant performance, viscosity grade and oil change interval as these may vary depending on ambient temperature, fuel composition, model, year and environment of operation.
